A tool to visualize your market opportunity and make data-driven decisions with your ad dollars. Considering factors like audience targeting, budget, and ROI

- REACT
- JAVASCRIPT
- CSS
- HTML

Confirm your market.

Before we generate your full report, have an initial look at your target audience and channel opportunities.

Identify your target audience.

How many ads did you spend? Don't worry, you will still be able to adjust and regenerate the whole report.

All Eyes On The States

Democrats achieved momentous victories at the state level in the midterms, but our work is far from finished. We're gearing up to take back the Virginia House of Delegates and build power in Louisiana and Mississippi next year — and keep MAGA Republicans out of state legislatures and the White House in 2024. This work takes all of us, and it starts now.
